✓ AGRICULTURE

Current law authorizes DATCP to inspect and certify agricultural products, including grain, and to charge fees for conducting the inspection and certification. This bill requires DOA to annually determine whether the accumulated expenses for the inspection and certification of grain exceed the accumulated revenues from the fees and, if so, to transfer the unencumbered balances in DATCP's general program operations appropriations to the grain inspection appropriation to cover the excess.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:✓

2 SECTION 1. 16.56 of the statutes is created to read:

3 16.56 Grain inspection funding. On June 30 of each fiscal year, the
4 department shall determine whether the accumulated expenses for the inspection
5 and certification of grain under s. 93.06 (1m) have exceeded the accumulated
6 revenues from conducting that inspection and certification as of that date. If so,

1 immediately before the end of the fiscal year, the department shall transfer the
2 unencumbered balances in the appropriation accounts under s. 20.115 (1) (a), (2) (a),
3 (3) (a), (7) (a), and (8) (a), up to the amount of the excess, to the appropriation account
4 under s. 20.115 (1) (h). ✓

5 SECTION 2. 20.115 (1) (h) of the statutes is amended to read:

6 20.115 (1) (h) *Grain inspection and certification.* All moneys received for the
7 inspection and certification of grain received in or shipped from the port of
8 Milwaukee, the port of Superior or other locations in this state under s. 93.06 (1m),
9 ~~to carry out the purposes for which they are received~~ and all moneys transferred
